

# Every feature, side by side.

One sheet, nothing held back. Free is a real plan, not a trial — and both paid plans are a single payment, with no subscription and no per-seat charge.

| SIDE BY SIDE                                                                     | MOST POPULAR                                                       |                                                          |                                                                              |
